

The WMU is sponsoring "Bookbags of Love", an on-going ministry through which our Ebenezer Baptist family helps children and their families at Porter Ridge Elementary by providing them with food when they would not otherwise have a meal for each day. This is a wonderful opportunity for your family to make a difference in the daily lives in our community!

We ask that you pray that God will powerfully use this ministry to reach families with the message of Jesus! This is an on-going project throughout the year!
